Beautiful covergirl Lena is six feet of  
tough and sexy! Her impressive stature cou-  
pled with her quick wit is enough to intimi-  
date anyone. Underneath it all is raw sexual  
power that guides her decisions, the who,  
the when and how hard. Many men and  
women can't handle such a powerhouse in  
bed. But you would do well to go for it.

Dominant women (and men) challenge  
your ego and typical role in the world. They  
can take your mind and body to places you  
didn't know existed. Step up the intensity  
and go headlong to nirvana.

Gorgeous power exchanger, Abella Dan-

ger is built strong, soft and sweet. In the ca-  
pable hands of Aiden Starr, she endures a  
large ass toy and punishing nipple clamps  
with aplomb. Good little pisser too.

Chas Ray Krider is back and lenses the  
lovely artist Lii Lii Lipstick. She is a modern  
day Athena, naked, smart and poised.

Jayden Lee is pure passion. She was built  
to please, and she certainly does. She is de-  
vicious, dirty and down for everything. Her fa-  
vorite is choking, on cock, here in TABOO.

So come along, get your freak on and  
have fun. Keep writing! We always listen.

## ***When did you start fetish modeling and under what circumstances?***

I started modeling when I was 19 with a rather popular "girls" site, featuring alternative modern pinup models. I remember my first shoot was in the comic book shop where I worked, and my boss, who encouraged me to become a model, took the pictures while a small audience of friends cheered me on. My first time modeling, and my first time nude. From there I was hooked!

## ***How do you like working in fetish scenes?***

I love my job! I have a special sense of pride having worked in a fetish scene. After a day of shooting I feel accomplished and often have an adrenaline high after some of the more aggressive BDSM scenes. I have so many wonderful, silly and tantalizing stories that I often share with friends or acquaintances.

## ***What fetishes do you like? What do you fetishize in your life?***

I'd say I appreciate most fetishes to a certain degree or another, but there are a handful that I certainly appreciate far more than others. If I had to list all of them it may take a minute, but for this interview's sake I'll give my Top 5 favorites. They would start with rope bondage and spanking. Then there's sploshing, and of course anal, and finally I'd have to say balloons, as they've always been some of my favorite scenes to do. There's way more, but those five come to mind first, and the first four are implemented in my personal relationships.

## ***Have you ever been spanked? Please tell us about it.***

Oh YES! I have been spanked by just about anything you could imagine. I've had a butt every color of the rainbow. One time I was doing scenes for GirlsSpankedHard.com and the producer ran out of things to spank me with. By that time he had spanked me so raw the lightest tap sent me into tears. But not once would I submit! :P

## ***What is your ultimate sexual fantasy?***

My ultimate sexual fantasy is constantly changing. The thing about sexual fantasies is wanting them to happen, so I make mine happen whenever possible. The most recent one that I've been stuck on is rather simple though. I want to be bound by the ankles and wrists and gagged, then spanked till I can't take anymore. Then taken down and caressed all over, then fucked hard. See? Pretty simple. It's just a matter of time and place in most cases.

## ***Have you ever been pissed on or pissed on someone?***

No and no.

## ***What do you think about anal sex?***

Anal was my first virginity that I lost. I enjoy it. I often prefer it over vaginal sex. There's something about having my anus filled that makes my orgasms seem way more intense!

## ***Are you more interested in the art of fetish modeling or the sex of fetish porn or both?***

I'm definitely more interested in the art of fetish modeling. However, I also enjoy the sex of fetish porn. It could be argued, and I've definitely heard it argued, that fetish porn (or any porn for that matter) is art. Every scene is carefully staged and even the actresses require a creative take on their role. All in all, it's satisfying to see what has been created and knowing I was such a big part of it.

## ***Are you more submissive or dominant in bed? Is it different if you are with men or women?***

I'm neither, or both submissive and dominant. I find most sexual encounters I'm in an equal exchange, but when I get kinky I could go either way. I certainly enjoy being submissive, but I also like being dominant with the right minion. I've never really noted a difference between men and women, but I always found myself more often attracted to women than men.

## ***Do you like rough sex?***

Rough sex is like cake: hella delicious, but if you have it all the time it gets too sweet. I enjoy a good amount of both rough and sensual sex/play.

## ***What about role-playing?***

I've never been big on role-playing. I just never take it seriously. I always end up in a giggle-fit, tied up and spanked or "punished."

## ***What was your favorite part of shooting for TABOO?***

My favorite part of this shoot was working with the photographer. We've known each other and have worked together since I began modeling. We always bring a ton of creativity and eroticism to each of our shoots. We know each other well enough that it always brings out the best in our abilities. I even gain a lot of inspiration from him in my own photography.

## ***Are you currently in a fetish lifestyle partnership? Would you like to be in one?***

That's personal. ;)

## ***Have you done fetish modeling before?***

Yes, I did my first photo-shoot for Kink.com when I was 19 years old.

## ***What kind of fetishes do you like? Do you have an interest in fetish in your private life?***

I enjoy corporal punishment a lot. I like switching, I like being very dominant, but I also like to be submissive. I like the whole power exchange of it. I like that you can decide what kind of pain you want to receive. So even if you are a submissive, you're still in control of what's happening to you and how hard or soft. It's really tedious as a whole. It's specific and caters to everyone's needs and wants.

## ***What is the wildest thing you've ever done on set or in front of a camera?***

I'll just talk about what I did yesterday...so I was dominating this man and I was slapping every inch of his body and he was super-red (my fingers are so sore, it's insane). I put clothespins down his biceps after I punched them and flogged him. I was biting him and degrading him in all sorts of ways. Then I ripped all the clothespins off at once. I'm very sadistic. It's weird, because I am very submissive.

## ***So, you enjoy being dominant as well?***

Yes, I love both.

## ***Have you ever been pissed on or pissed on someone?***

Yes. I've definitely done both. I've had pee in my mouth and I've peed in someone's mouth.

## ***Did you swallow?***

No. I tried, but I gagged.

## ***What do you think about anal sex?***

I love anal! I've been doing anal forever. Since my third month doing porn.

## ***Are you more interested in the art of fetish modeling or the sex of fetish porn?***

The sex of fetish porn, for sure. For me modeling in general in porn is something that I have to do so that I can have sex. If I was just modeling then I'd just be taking pictures, but I want to have sex! That's the main goal.

## ***Is there anything you'd like the TABOO readers to know about you?***

I genuinely really love BDSM, and thanks to porn, I got to discover that. I can't imagine my life *not* doing BDSM. I've spent all my birthdays shooting for Kink.com. The first time I was booked on my birthday, it was a mistake; but then after that, I went almost every single month, more than once. I've spent three birthdays there by choice.

## ***Are you in a fetish lifestyle partnership or would you want to be?***

No, I wouldn't want that. I'm very dominant in my personal life, but then I also want the person I'm with to be very dominant. It just wouldn't work. We can role play in bed or something, but I'm just too dominant for anything else.

Trillium is pussy punished in July/August 2017  
TABOO. Photo by Lee Forbes

Dear TABOO,

I received the July/August issue of TABOO and wanted to tell you how pleased I was with its content! I thought Trillium, as captured by Lee Forbes, was very expressive (as was Lily Adams by Lightworship). Taylor Sands was no slouch either, as she performed admirably for Dave Naz.

I recently came across the February 2005 issue featuring Misty on the cover. Don't know if she is still in the business, but it would be cool if she did another layout for TABOO! What about a sequel?

Congratulations on another fine issue!

Chaika gets ass-plowed in Jan/Feb 2017 TABOO. Photo by THL

Dear TABOO,

You said to write, so here goes. I would love to subscribe to TABOO and order back issues, but my fine, idiot city of Indianapolis has you banned. What do I do? Who do I contact? My state legislature? And then what? They put a sign in my front yard that reads, HERE LIVES A PERVERT WHO LIKES TO SEE YOUNG GIRLS TIED UP, BALL-GAGGED, NIPPLE-CLAMPED AND GETTING FUCKED IN THE ASS? LOL! In the meantime, I'll keep buying your fine magazine from my local adult bookstore.

Next, less pee and more cum! I'm not real big on the peeing/golden showers fetish. In your Jan/Feb 2017 issue (Aly and Keni) she looks like a truly wonderful slut getting split the fuck open, then kneeling in shame with her pretty face absolutely drenched in cum dribbling down her cute little boobies! Wonderful!

Little miss Chaika (I love Asian girls) is fantastic with her tight, tender asshole getting stretched out and her meaty, pink pussy spread open and vulnerable and on display! Why isn't her cute face or pretty pussy covered in cum? I love creampie! Liza Rowe...gorgeous! Just drop dead, are you fucking kidding me, gorgeous! But no penile penetration, no steamy, creamy cum. She said she has a foot fetish. Why not have her jack off a huge, hard, hung, horse cock with

Aly gets a facial.

her pretty feet and painted toes?! Wow!!! And Kinsley, I'd love to see her split open by a monster cock and covered in cum. More cocks and cum please! Just sayin'!

Also, have you thought about any kind of special features? Foot fetish, panties fetish, furry pussies. I love that shit, as well as your BDSM. Great stuff! Anyway, keep up the good work! Happy holidays!

Briana opens up in Best of TABOO #43  
Photo by Lee Forbes

Dear TABOO,

Saturday I bought the BEST OF TABOO Vol. 43 with Jillian Janson on the cover. It was the only porn magazine I bought this week. The reason was very simple: It was to get the layout of BRIANA to jerk off to.

Lee Forbes did an incredible job of photographing the sexiest in the sexiest, lewdest way possible. I ABSOLUTELY LOVE AND ADORE LONG-HAIRED BLONDES WITH BANGS!!!! Meaning Briana would have turned me on if she wore a man's suit and tie!

The black curtain made the perfect background in contrast to Briana's perfectly tanned body and BLOND HAIR.

Her clothes were kept to a "bare" minimum: a red bra that was pulled down, a crotchless red panty and very, very sexy RED HIGH HEELS. Shit, she did not even wear stockings!

Because she started almost naked, Briana did not have to strip off a dress, shorts, bikini, jeans or any kind of shirt.

This made it easy for Lee Forbes to concentrate on getting the best angles of Briana without any clothes in the way.

Blondie is such a perfect sex object; we are all happy she shares everything with us. Nothing is too personal or private to guard from our leering eyes.

Love the phenomenal shot of her ass pulled open to show where to fuck both of her holes above her legs. Once more that blond hair and bangs is the frosting on the cake.

Briana's centerfold is one of the best I've seen in 2017 in any mag, including HUSTLER itself. So beautiful, yet so totally hardcore smut.

I wish a dozen new photos from this shoot were published in TABOO!

## ***When did you start fetish modeling and under what circumstances?***

I started around six months ago. I started with some light rope bondage, and I did some damsel in distress scenes.

## ***Did you enjoy that?***

I did! I enjoy rope stuff the most.

## ***Do you have an interest in fetish or BDSM in your private life?***

I am into BDSM in my personal life. It still changes though, because I'm still young. I'm only 19, so I'm still exploring what I like. I like being dominant.

## ***Tell us about being dominant with girls.***

I like very submissive girls. I think it's very cute! I like choking. I haven't tied a girl up yet, but I'm sure I will soon. I really like the roughness of it.

## ***What about controlling their orgasms? Does that interest you?***

I like to be touchy with girls, but I've noticed that a lot of girls are sensitive to the touchy stuff, so I have to be conscious not to hurt them in any way.

## ***Why did you want to shoot for TABOO?***

I've seen your magazine for the past year, and every cover and photo I've loved! I think some of the concepts are scary, like the suspension, but I think it's beautiful!

## ***How do you feel about hand spanking?***

I love it! I love when I have handprints or bruises and welts and hickies. I think it's super sexy! It's like having sexy battle scars. And I love when I see it on other girls too.

## ***What about in your personal life?***

Mostly just very rough sex. I do re-

member one time when I was dating this guy and we were having sex in my car and I asked him to put his hands behind his head. I had a shirt, and I tied his hands up, and I kind of roughed him up a bit. It was very fun, but it was really wild for me at the time.

## ***How did he respond?***

He loved it! He acted like he didn't afterwards, but I know he did. :-)

## ***Have you ever been pissed on or pissed on someone?***

I've been asked to pee on a guy, but I haven't done it yet. I'm becoming more open to the idea though. I think if it were the right person, then probably.

## ***What do you think about anal sex?***

I love anal sex! My first time was with my most recent ex, and we were in a hotel room. We were about to have sex, and we had been talking about having anal sex. I just slipped his dick into my ass instead of my pussy! He didn't see that coming, and neither did I! It was spontaneous. I know most girls have a problem with it because they think it's painful, but honestly, that was the best thing in the world! I was hooked after that, and every time we had sex I'd want to do anal!

## ***Are you a dominant or a switch?***

I think of myself as a switch. Even though I'm more dominant with girls than guys, I do tend to, depending on the person, switch it up. I like to have my cake and eat it too. :-)

## ***Can you see yourself hard topping a guy in the future?***

Possibly...hmm, actually, yes!

## ***I think I see that in your future. Tell us about***

## ***your dominant side.***

I've always been a very rough person and developed a love for rough sex. I like to be able to set the pace and have the control. I'm more sadistic than masochistic.

## ***When you talk about rough sex, what do you mean exactly?***

Choking, slapping, spitting, holding hands down while fucking. I'm not a fan of spitting, because I don't like degradation as much as domination. But I love choking. My neck is definitely an erogenous zone for me, and the second someone chokes me, it's over!

## ***How far do you take the choking? Some people like to be choked until they pass out.***

That's a little far. As soon as I start to feel my face get red and I can't breathe, then it's time to calm down, because some guys don't know how to choke correctly. You're supposed to do the sides, not the windpipe.

## ***Are you more interested in the art of fetish modeling or the sex of fetish porn or both?***

I'm more interested in the art of it, but it helps that I'm interested in the sex of it in my personal life. I think it's a good combination of both.

## ***Do you consider yourself bisexual?***

I do, though sometimes I feel that I drift closer to the gay side. I find myself being attracted to females more often.

## ***Are you in a BDSM relationship right now?***

No, currently I'm not. I play when I can, here and there.

## ***Would you like to be in one?***

I'd love to! I'd really like to explore my dominant side, but more with men this time than women.

Cigarette girl Regina has no problem squatting over a martini glass to fill it with streams of her urine, despite the humiliating comments of the club onlookers. Scared as she is, Regina could easily pee herself anyway. They always do horrible things to her as they get drunker, but having to suck half a pack of smokes through a mouth ring is a vicious new twist, producing waves of choking and tears. Head yanked back, she swallows her own secretions, rudely tossed down her raw throat.

## ***When did you start fetish modeling and under what circumstances?***

I first started fetish modeling about seven years ago. I did a couple of foot-fetish shoots with desserts and chocolate dripping all over my toes. I remember thinking how silly it was that people would actually be interested in seeing my feet with sweets. When I first began my career in the adult industry, Kink.com was one of the first fetish companies I worked for. I was always submissive, so that's what I really enjoyed shooting. I admit that shooting for Kink.com was a big jump from doing foot-fetish shoots. After trying the submissive side, I never looked back.

## ***How do you like working in fetish scenes?***

I love working in fetish scenes! It's so much fun and keeps me on edge. Especially when it comes to not knowing what's going to happen next and not knowing what to expect. Normally, in my personal life, being submissive is a little difficult for me; I enjoy having control. But when I am in front of the camera, roles change and pretty much anything goes!

## ***What fetishes do you like? What do you fetishize in your life?***

Fetishes that I truly enjoy in bed would have to be spanking, choking and a lot of dirty talk! I love being told how naughty I've been! It makes having sex fun and more intense. Sometimes I don't mind dressing up and role-playing; floggers, nipple clamps, costumes.

## ***Tell us about your spanking experience.***

I have been spanked a lot, actually. I like to get spanked during sex, and sometimes throughout the day. At times I will purposely pull down my pants and put

my hands on the wall and want my partner to just spank me. I think it's silly when, after I get spanked, I get a little excited to see a handprint or how pink my butt is.

## ***What is your ultimate S/M fantasy?***

My ultimate sexual fantasy would probably have to be a surprise break-in. I'd like to have my partner surprise me at home. I would want him to basically demand his way into me.

## ***Have you ever been pissed on or pissed on someone?***

Yes. In the past I had one guy piss in my mouth. We were both drunk, and he said he had to pee and wanted to pee in my mouth. So I said, "Okay." I got on my knees in the bathtub and he went for it—peed right in my mouth! Ugh! I spit it out immediately! Later that night, after he fell asleep, I sent him a text about me running to the store to get tampons (a stupid excuse I thought of). I ended up getting in my car and leaving and going home. I left him in the hotel room with no car. Lol!

## ***What do you think about anal sex?***

I think anal sex is very intimate and turns me on a lot. I sometimes believe that my orgasm is a lot stronger when I do anal. I lost my anal virginity on my second shoot on-set in Florida. I remember never really wanting to try anal sex. When I got into the adult industry, I wanted to be as dirty as I could possibly be. I guess that's where my alter ego comes into play. I shot for a website called "Let's Try Anal." The talent I shot with luckily wasn't huge, but decent size. I remember being nervous and my period had just started! Everyone on set was so nice in coaching me on cleaning myself out so there are

no accidents during the scene. It honestly felt like I was taking a poop in reverse. My first few times shooting anal weren't too enjoyable. Over time, I started to try bigger and more extreme scenes and learned to like anal.

## ***Are you more interested in the art of fetish modeling or the sex of fetish porn or both?***

I'm much more interested in fetish porn than regular porn. I love the costumes and the role-play. I like the art as long as I get to fuck!

## ***Are you more submissive or dominant in bed? Is it different if you are with men or women?***

I am more submissive with men in bed and more dominant with women in bed. I love being with men, but I think women are beautiful and sexy. I love to please, so I definitely get a lot more enjoyment from pleasing a woman than a man.

## ***Do you like rough sex?***

I have to admit I love rough sex! I mean, who doesn't? :-)

## ***What about role-playing?***

Role-playing is something that doesn't come easy with every person I am intimate with. I prefer to play with people that are comfortable and confident, especially if they are dominant in the role.

## ***What was your favorite part of shooting for TABOO?***

My favorite part of shooting for TABOO was probably shooting with Ken Marcus. It's always exciting to be on set and work with professional people.

## ***Are you currently in a fetish lifestyle partnership? Would you like to be in one?***

I am not. I am always open to trying new things, so maybe one day. :)

I do it just like I've been taught, swirling my tongue in from front to back through the still-dripping folds of Mistress Jandi's gash to the tight ring of muscle at her back door. Grabbing my hair, she buries my face in the crack, wanting to feel my tongue up her ass. I've learned the hard way to do a good, thorough job attending to Ma'am's hygiene. Sweat streams under my latex, and the bathroom floor is hard under my knees, but I know better than to complain. My mouth is not for talking, as she reminds me by making me stick out my tongue to brush it clean before my next task. I apply myself to getting her off, trying to ignore my own growing urgency. The toilet is so near, but I don't get to use it until she's done with me. Even after she comes, I get the shameful ponytail plug in my rectum and tight tit-clamps while she buckles her strap-on. I'll have to come before I can go, requiring all my concentration to avoid a messy accident. The way she squeezes me through the rubber as I straddle her lap makes me squeal with every orgasmic jolt. Even then I'll be required to suck the dildo after it's been in both my holes. Toilet slavery is a dirty job, and I'm just the girl for it.

## "SOLID ACTION" BODY

TINA and LAURA are unlike any other dolls in the world. Designed and built for one of the largest European sex novelty companies, they are now available in the United States. Other companies are featuring big stuffed cushions in the shape of dolls, but that is about all they feel and look like, stuffed cushions. Why settle for less? Order from the company that originated the love dolls over 10 years ago. See for yourself what 10 years of research has done to the love doll. Only teenage TINA and her big sister LAURA contain the amazing exclusive form that expands AFTER you receive your exclusive love doll. This amazing breakthrough gives both TINA and LAURA the most life like qualities possible in a LIFE SIZE DOLL. Your playgirl comes complete with the built-in features.

## LIFE LIKE IN EVERY DETAIL

Both TINA and LAURA have all their lovable soft-features built right in. Even their hands are not detachable. All their sexual organs have been designed to be a smooth continuous flow of their soft, well rounded bodies that feel so real, you'll wonder how this was ever accomplished. Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about 1/2 of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

Completely edible looking, from the colour of her skin, to the smoothness to the touch, to her shape.....

Yes, I could go on and on.

When she showed up at my room I was paralyzed just looking at her, Beautiful!!!

Man, her eyes were so beautiful. Those are the eyes you would wanna wake up to, every morning.

I felt like Vincent Vega cruisin' along in his convertible sporting a euphoric grin wallowing in his long sought after euphoria.
